Homestay

Students have found that the time spent with their homestay families is an important part of their Spanish learning experience. Most home stay families live within 15-20 minutes walking distance from Veritas University, while a few homes are a 15-minute bus ride from the university. All the homes are located in safe, middle class neighborhoods. CEA participants living in a homestay will enjoy daily breakfast and dinner with their family.

Casa Universitaria

The Casa Universitaria offers students the benefits of an apartment, but also provides the comforts of a homestay such as meals, laundry and cleaning. Students will be provided daily breakfast and dinner and may have access to a kitchenette where they can warm food and prepare light meals and beverages. If you want to experience what it is like to live with a Costa Rican family but in a more independent set-up, this would be a good choice for you. Please note, this housing option is limited.
