Residence Hall

Winthrop students have the option of living in an on-campus residence hall with Internet access in a single room with shared bathrooms. Students will have access to a kitchen area, but cutlery and cooking equipment are not provided.

Lodging

Students can choose to live in a local house as a tenant, with a furnished bedroom, access to the kitchen, and bed linens and cooking utensils provided. Each household is different, so it's important to communicate with the householder about what exactly is provided.
